

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Hillner
DOCKET NO.: 19-22263.001-R-1
PARCEL NO.: 05-35-116-006-0000

The parties of record before the Property Tax Appeal Board are Nancy Hillner, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,544
IMPR.: \$81,681
TOTAL: \$98,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 44-year-old, two-story single-family dwelling of frame and masonry construction with 2,924 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 7,520 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant supplied information disclosing the total lien year assessment for the subject of \$98,225 with an improvement assessment of \$81,681 or \$27.93 per square foot of living area. The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. Appellant requested a reduction of the subject's total assessment to \$77,071.

The board of review submitted its "Board of Review Notes on Appeal" disclosing a total assessment for the subject of \$106,394 and an improvement assessment of \$92,106 or \$31.50 per square foot of living area. However, these figures are incorrect. The appellant provided a copy of the final board of review 2020 assessment decision for the subject (PIN 05-35-116-006-0000). The board of review finalized the assessed valuation for the subject property at \$98,225 in 2019, which was the amount provided by the appellant in their appeal.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The comparables were located within a ¼ mile radius of the subject. They ranged: in age from 20 to 50 years, in size from 2,866 to 3,142 square feet of living area and in assessment from \$31.71 to \$33.95 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #3 and appellant's comparables #1 and #4. These comparables had improvement assessments that ranged from \$19.44 to \$33.05 per square foot of living area. The subject's improvement assessment of \$27.93 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
