

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Jo Killoran
DOCKET NO.: 19-23735.001-R-1
PARCEL NO.: 14-19-128-009-0000

The parties of record before the Property Tax Appeal Board are Mary Jo Killoran, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,120
IMPR.: \$45,850
TOTAL: \$61,970

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,194 square feet of living area. The dwelling is approximately 120 years old. Features of the dwelling include a finished basement and a 2-car garage. The property has a 3,100 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the same neighborhood code as the subject. The comparables are improved with class 2-03, 1.5-story¹ dwellings of frame exterior construction ranging in size from 1,371 to 1,789 square feet of living area. The dwellings are each 120 years old. Each

comparable has an unfinished basement and a two-car garage. The comparables have improvement assessments ranging from \$45,380 to \$60,216 or from \$33.10 to \$33.78 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$39,892 or \$33.41 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$61,970. The subject property has an improvement assessment of \$45,850 or \$38.40 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same neighborhood code as the subject. The comparables are improved with class 2-03, 1-story or 1.5-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 1,126 to 1,456 square feet of living area. The dwellings range in age from 97 to 130 years old. Each comparable has a basement, one of which has finished area. Two comparables each have central air conditioning, and three comparables each have a two-car garage. The comparables have improvement assessments ranging from \$46,583 to \$64,059 or from \$41.37 to \$44.24 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends improvement assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 through #4 due to their larger dwelling sizes when compared to the subject. The Board also gives less weight to the board of review comparables #3 and #4 due to their dissimilar 1-story design, central air conditioning, and/or lack of a garage when compared to the subject property.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and the board of review's comparables #1 and #2. These comparables are similar to the subject in 1.5-story design, dwelling size, age, and most features, except the comparables have unfinished basements, unlike the subject's finished basement. These comparables have improvement assessments ranging from \$45,380 to \$58,525 or from \$33.10 to \$44.24 per square foot of living area. The subject's improvement assessment of \$45,850 or \$38.40 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
