

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gus Spentzos
DOCKET NO.: 19-34238.001-R-1
PARCEL NO.: 01-35-202-006-0000

The parties of record before the Property Tax Appeal Board are Gus Spentzos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,110
IMPR.: \$66,568
TOTAL: \$83,678

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of masonry construction with 5,616 square feet of living area. Features of the home include three and one-half baths, a partial unfinished basement, a four-car garage, and air conditioning. The dwelling was constructed in 1992. The property has a 57,036 square foot site and is located in South Barrington, Barrington Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables. The appellant requested a total assessment reduction to \$64,876.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,873. The subject has a total improvement assessment of

\$73,763 or \$13.13 per square foot of living area. The subject's assessment reflects a market value of \$908,730 or \$161.81 per square foot of living area, land included, when using the 2019 level of assessment for class 2 properties of 10% as determined by the Cook County Real Property Classification Code. In support, the board of review submitted four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's sale comparables #1, #2, and #3. These similar comparables sold for prices ranging from \$82.15 to \$149.60 per square foot of living area, including land. These comparables are similar in construction, sale date, and construction. The subject's assessment reflects a market value of \$161.81 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
