

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jenny Jordache
DOCKET NO.: 19-41998.001-R-1
PARCEL NO.: 13-03-211-016-0000

The parties of record before the Property Tax Appeal Board are Jenny Jordache, the appellant, by attorney Ellen G. Berkshire, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,953
IMPR.: \$48,461
TOTAL: \$54,414

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 3,025 square feet of living area. The dwelling is approximately 71 years old. Features of the dwelling include a full finished basement, central air conditioning, three fireplaces, and a 2-car garage. The property has a 4,410 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject and from .9 of a mile to 1.4 miles from the subject property. The comparables are improved with class 2-06 dwellings of masonry exterior construction ranging in size from 2,628 to 3,138 square feet of

living area. The dwellings range in age from 65 to 70 years old. Each comparable has a basement, one of which has finished area, central air conditioning, and either a 2-car or a 2.5-car garage. Two comparables have either one or two fireplaces. The comparables have improvement assessments ranging from \$24,047 to \$39,717 or from \$9.15 to \$14.30 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$38,115 or \$12.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,414. The subject property has an improvement assessment of \$48,461 or \$16.02 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property and .25 of a mile from the subject property. The comparables are improved with class 2-06, two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,803 to 3,329 square feet of living area. The dwellings range in age from 64 to 72 years old. Each comparable has a basement, two of which have finished area. Three comparables each have central air conditioning and either a 1.5-car, a 2-car, or a 2.5-car garage. One comparable has a fireplace. The comparables have improvement assessments ranging from \$52,211 to \$59,340 or from \$17.01 to \$21.17 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 as its improvement assessment appears to be an outlier relative to the other comparables in the record. The Board also gives less weight to the appellant's comparables #2 through #4 which are located a mile or more away from the subject property. The board of review comparable #4 was given less weight as it lacks central air conditioning and a garage, which are features of the subject.

The Board finds the best evidence of assessment equity to be the board of review's remaining comparables. These comparables are more similar to the subject in location, age, dwelling size, and most features; except one comparable has an unfinished basement, unlike the subject which has a finished basement. These three comparables have improvement assessments ranging from \$52,211 to \$59,340 or from \$17.01 to \$21.17 per square foot of living area. The subject's improvement assessment of \$48,461 or \$16.02 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject,

the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
