

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bob Kriz
DOCKET NO.: 19-42038.001-R-1
PARCEL NO.: 13-06-317-022-0000

The parties of record before the Property Tax Appeal Board are Bob Kriz, the appellant, by attorney Ellen G. Berkshire, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,937
IMPR.: \$41,020
TOTAL: \$51,957

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,800 square feet of living area. The dwelling is approximately 77 years old. Features of the home include an unfinished basement and central air conditioning. The property has an 8,750 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables with the same neighborhood code as the subject. The comparables are improved with class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,572 to 2,894 square feet of living area and are from 64 to 78 years old. Each comparable has a

basement, one of which has finished area, and a 2-car garage. Three comparables each have central air conditioning, and one comparable has a fireplace. The comparables have improvement assessments ranging from \$35,828 to \$43,259 or from \$13.93 to \$15.30 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$41,020 or \$14.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,765. The subject property has an improvement assessment of \$44,828 or \$16.01 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables with the same neighborhood code as the subject. The comparables are improved with class 2-03, 2-05, or 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,201 to 2,439 square feet of living area and are from 60 to 95 years old. Each comparable has a basement, one of which has finished area, and either a 1-car, a 2-car or a 2.5-car garage. One comparable has central air conditioning, and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$23,708 to \$51,265 or from \$16.58 to \$22.72 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration, all of which have a garage, unlike the subject. The Board gives less weight to the appellant's comparable #3 and the board of review comparables #1 through #3 due to differences in their dwelling sizes and/or basement finish when compared to the subject which has an unfinished basement.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are relatively similar to the subject in location, dwelling size, age and have an unfinished basement, but have varying degrees of similarity to the subject in other features. These comparables have improvement assessments ranging from \$35,828 to \$40,799 or from \$13.93 to \$16.58 per square foot of living area. The subject's improvement assessment of \$44,828 or \$16.01 per square foot of living area falls above the range of the best comparables in this record on an overall improvement assessment basis and within the range on a per-square-foot basis. After considering adjustments to the best comparables for differences when compared to the subject, such as their smaller dwelling sizes, garage amenities and/or other features, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
