

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 5301 W Ogden LLC  
DOCKET NO.: 19-45804.001-R-1  
PARCEL NO.: 13-05-123-022-0000

The parties of record before the Property Tax Appeal Board are 5301 W Ogden LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,000  
**IMPR.:** \$ 32,659  
**TOTAL:** \$ 38,659

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2019. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a two-story multi-family dwelling of masonry construction with 2,592 square feet of living area. The dwelling is 54 years old. Features of the home include a full unfinished basement and a one-car garage. The property's site is 3,750 square feet, and it is located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on February 24, 2017 for a price of \$250,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$25,000.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$38,659. The subject’s assessment reflects a market value of \$386,590 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from November 2017 to December 2019 for \$397,000 to \$499,900, or \$167.08 to \$199.10 per square foot of living area, including land. The board of review’s evidence also states that the subject was purchased in March 2017 for \$250,000.

In rebuttal, the appellant argued that the board of review’s comparables were not similar to the subject for various reasons.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject’s assessment is not warranted.

The Board finds that there is no evidence in the record to show that the sale of the subject in February 2017 was an arm’s-length transaction. The parties did not utilize the services of a real estate broker, and the subject was not advertised for sale on the open market. Moreover, the address of the seller and the buyer were the same as listed on the settlement statement. As such, the Board is unable to determine whether the sale price of \$250,000 represents the subject’s fair cash value. The appellant did not submit any further evidence as to the subject’s market value. Therefore, the Board finds that the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
