

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Flawless Homes LLC
DOCKET NO.: 19-49182.001-R-1
PARCEL NO.: 10-10-418-034-0000

The parties of record before the Property Tax Appeal Board are Flawless Homes LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,825
IMPR.: \$ 24,975
TOTAL: \$ 30,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2019. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a split-level single-family dwelling of frame and masonry construction with 2,079 square feet of living area. The dwelling is 59 years old. Features of the home include a partial basement with a formal recreation room, central air conditioning, and a two-car garage. The property's site is 7,061 square feet, and it is located in Niles Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$308,000 as of January 1, 2019. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$30,800.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$39,526. The subject’s assessment reflects a market value of \$395,260 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from October 2018 to September 2019 for \$432,000 to \$605,000, or \$222.80 to \$334.62 per square foot of living area, including land.

The board of review’s notes on appeal also state as follows:

2017 judicial sale 279,384 Cash. Rehab 2018 no 2-88. Completed in 2018. 2018 Mortgage for 310,000. 2019 Appraisal 308,000. Mortgage is higher than appraisal. Appraiser Values subject as original condition as of 1/1/2019. Subject was not in original condition. MLS shows subject completed as early as 8/26/2018. Listing was removed and subject was rented for 3,300 a month.

Appraisal comp 1 was below market sold again for 455,000. [sic.]

No evidence was submitted in support of these arguments. Additionally, the Board notes that the description of the subject in the notes on appeal and the description of the subject in the appraisal are identical.

In rebuttal, the appellant argued that the board of review’s comparables were not similar to the subject for various reasons.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject’s assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$308,000 as of the assessment date at issue. The Board accorded no weight to the board of review’s arguments in the notes on appeal regarding the subject’s purported rehabilitation, mortgage, lease status, etc. While the board of review references several documents that may have supported its position, such as the mortgage document and MLS listing, the board of review did not submit any such evidence. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is warranted. Since market value has been established, the 2019 statutory

Docket No: 19-49182.001-R-1

level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
