

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Dirr
DOCKET NO.: 20-04629.001-R-1
PARCEL NO.: 11-27-102-010

The parties of record before the Property Tax Appeal Board are Christopher Dirr, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,663
IMPR.: \$87,785
TOTAL: \$144,448

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,144 square feet of living area. The dwelling was built in 1970. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a garage with 431 square feet of building area. The property has an approximately 17,220 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 0.21 of a mile from the subject, each of which have the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 10,130 to 12,230 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,126 to 2,253 square feet of living area. The dwellings were built in either

1968 or 1970. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 410 to 431 square foot garage. The properties sold from February 2019 to April 2020 for prices ranging from \$350,000 to \$430,000 or from \$164.63 to \$190.86 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$125,200 which reflects a market value of \$375,638 or \$175.20 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,448. The subject's assessment reflects a market value of \$433,908 or \$202.38 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within 0.21 of a mile from the subject, each of which have the same assessment neighborhood code as the subject property. Board of review comparables #1, #2, and #4 are the same properties as the appellant's comparables #2, #1, and #3, respectively; however, the board of review reported an additional sale for its comparable #1 which was not disclosed by the appellant. The comparables have sites ranging in size from 10,130 to 12,230 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,126 to 2,253 square feet of living area. The dwellings were built from 1968 to 1970. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 410 to 431 square feet of building area. The properties sold from April 2019 to December 2020 for prices ranging from \$358,000 to \$448,000 or from \$166.98 to \$210.72 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five suggested comparable sales for the Board's consideration, which includes the parties' three common comparables and an additional sale for the appellant's comparable #2/board of review comparable #1.

The Board finds the parties' comparables to be similar to the subject in location, design, age, dwelling size, and features. The properties sold from February 2019 to December 2020 for prices ranging from \$350,000 to \$448,000 or from \$164.63 to \$210.72 per square foot of living area, land included. The subject's assessment reflects a market value of \$433,908 or \$202.38 per square foot of living area, land included, which falls within the range established by the

comparable sales in the record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
