

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lee & Charolette Haak  
DOCKET NO.: 20-04637.001-R-1  
PARCEL NO.: 11-11-408-003

The parties of record before the Property Tax Appeal Board are Lee & Charolette Haak, the appellants, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$69,347  
**IMPR.:** \$113,815  
**TOTAL:** \$183,162

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 3,053 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage with 865 square feet of building area. The property has an approximately 37,700 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on five comparable sales located within 0.67 of a mile from the subject, each of which have the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 38,980 to 48,350 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,170 to 3,261 square feet of living area. The homes were built from 1981

to 1987. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and a garage that ranges in size from 420 to 1,481 square feet of building area. The properties sold from January 2019 to July 2020 for prices ranging from \$315,095 to \$512,000 or from \$145.21 to \$180.02 per square foot of living area, land included. Based on this evidence, the appellants requested a reduction in the subject's assessment to \$163,502 which reflects a market value of \$490,555 or \$160.68 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,162. The subject's assessment reflects a market value of \$550,201 or \$180.22 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.69 of a mile from the subject, each of which have the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 39,790 to 44,430 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,655 to 3,342 square feet of living area. The homes were built from 1983 to 1988 with comparable #1 having an effective year built of 1986. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage that ranges in size from 529 to 1,063 square feet of building area. Comparable #2 has an inground swimming pool. The properties sold from July 2019 to October 2020 for prices ranging from \$575,000 to \$670,000 or from \$194.49 to \$221.73 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparable #4 which differs from the subject in dwelling size. The Board gives less weight to board of review comparable #2 which has an inground swimming pool, which is not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size and most features. The properties sold from July 2019 to October 2020 for prices ranging from \$495,000 to \$670,000 or from \$153.33 to \$218.42 per square foot of living area, land included. The subject's assessment reflects a market value of \$550,201 or \$180.22 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on

this record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
