

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Annegret Harnischfeger
DOCKET NO.: 20-23098.001-R-1
PARCEL NO.: 05-35-120-035-0000

The parties of record before the Property Tax Appeal Board are Annegret Harnischfeger, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,568
IMPR.: \$81,621
TOTAL: \$111,189

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 69-year-old two-story, single-family dwelling of frame and masonry construction containing 3,324 square feet of living area. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 1.5-car garage. The property has an 13,440 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of their argument, the appellant submitted evidence of four suggested sales comparables. The submitted comparables were single-family dwellings of either frame construction, masonry construction or frame and masonry construction. The improvements ranged: in age from 68 to 128 years; in size from 2,542

to 4,426 square feet of living area. They sold from April 2018 to April 2020 for prices ranging from \$253.62 to \$295.04 per square foot of building area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,189. The subject's assessment reflects a market value of \$1,111,890. or \$334.50 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted sales information on four comparable sales. The comparables were located within a ¼ radius of the subject. They were described as single-family dwellings of either masonry construction or of a stucco exterior. The improvements ranged: in age from 92 to 107 years; in size from 2,315 to 3,351 square feet of living area. They sold from May 2018 to September 2019 for prices ranging from \$384.45 to \$611.76 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2 and #3 and board of review's sales comparable #1. These comparables sold for prices ranging from \$253.62 to \$611.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$334.50 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued. Accordingly, a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
