

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Powell  
DOCKET NO.: 20-23288.001-R-1  
PARCEL NO.: 05-34-308-012-0000

The parties of record before the Property Tax Appeal Board are Jonathan Powell, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,294  
**IMPR.:** \$106,330  
**TOTAL:** \$123,624

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 8,647 square foot parcel of land improved with a 12-year-old, two-story, frame, single-family dwelling containing 3,376 square feet of building area. The property is located in Wilmette, New Trier Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables. The comparables are described as two-story, frame or masonry or frame and masonry, single-family dwellings. They range in age from four to 23 years and in size from 3,240 to 3,793 square feet of building area. These comparables sold from January 2018 to July 2019 for prices ranging from \$311.86 to \$354.94 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$123,624 which reflects a market value of \$1,236,240 or \$336.18 per square foot of building area using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted three comparables with sales information on two. The comparables are described as two-story, frame or stucco, single-family dwellings. They range in age from one to 15 years and in size from 3,588 to 3,800 square feet of building area. Comparables #2 and #3 sold in December 2020 and August 2017 for prices ranging of \$473.68 and \$474.29 per square foot of building area, respectively.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4 and the board of review's comparables #2 and #3. These properties sold from January 2018 to December 2020 for prices ranging from \$311.86 to \$474.29 per square foot of building area. The remaining comparables were given less weight due to differences in construction. In comparison, the subject's assessment reflects a market value of \$336.18 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
