

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Burton
DOCKET NO.: 20-33423.001-R-1
PARCEL NO.: 05-18-402-070-0000

The parties of record before the Property Tax Appeal Board are Burton, the appellant, by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,120
IMPR.: \$64,880
TOTAL: \$101,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of stucco exterior construction with 4,220 square feet of living area. The dwelling is approximately 100 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property has a 25,800 square foot site and is located in Winnetka, New Trier Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$860,000 as of January 1, 2019.

The Board takes judicial notice that this property was the subject matter of an appeal before the

Property Tax Appeal Board the prior year under Docket Number 19-21120.001-R-1 where the appellant was the same and the property was also reported to be owner-occupied as it is in this 2020 appeal. In the 2019 appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$101,000 based on the evidence submitted by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,995. The subject's assessment reflects a market value of \$1,139,950 or \$270.13 per square foot of living area, land included, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted four comparable sales. The comparables sold from February 2017 to December 2020 for prices ranging from \$1,050,000 to \$1,320,000 or from \$285.12 to \$332.83 per square foot of living area, including land. The evidence provided by the board of review further disclosed that no township equalization factor was applied in 2020.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal for the 2019 tax year under Docket No. 19-21120.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's assessment to \$101,000. The record indicates that the subject property is an owner-occupied dwelling. The Board also finds that the 2019 and 2020 tax years are within the same general assessment period and that no equalization

factor was applied in New Trier Township in 2020. Furthermore, the decision of the Property Tax Appeal Board for the 2019 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold as of the January 1, 2020 assessment date in order to establish a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$101,000 which is less than the 2020 assessment of the subject property of \$113,995.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
