

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terence Cloney  
DOCKET NO.: 21-00453.001-R-1  
PARCEL NO.: 13-13-401-013

The parties of record before the Property Tax Appeal Board are Terence Cloney, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,247  
**IMPR.:** \$115,759  
**TOTAL:** \$159,006

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,858 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage with 529 square feet of building area. The property has a 46,119 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.79 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,740 to 3,945 square feet of living area that were built from 1980 to 1989, with comparable #3 having an effective age of 1994. Each comparable has a basement, one with finished area, one to four fireplaces and a garage ranging from 624 to 851 square feet of building area. Five comparables each have central air conditioning. The comparables have improvement assessments ranging from \$105,129 to \$136,238 or from \$28.49 to \$38.64 per

square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$102,959 or \$36.02 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,006. The subject property has an improvement assessment of \$115,759 or \$40.50 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.90 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,872 to 3,282 square feet of living area that were built from 1986 to 1991, with comparable #3 having an effective age of 2001. Each comparable has a basement, four with a finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 720 to 824 square feet of building area. The comparables have improvement assessments ranging from \$121,169 to \$139,112 or from \$42.19 to \$45.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #2, #4 and #5 due to their larger dwelling size when compared to the subject. The Board gave reduced weight to the board of review comparables #1, #2, #3 and #5 due to their finished basement when compared to the subject and other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 along with the board of review comparable #4 which are most similar to the subject in location, design, dwelling size, age and some features. These most similar comparables have improvement assessments ranging from \$105,129 to \$127,882 or from \$38.37 to \$43.26 per square foot of living area. The subject property has an improvement assessment of \$115,759 or \$40.50 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
