

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Barbara and Richard Barrie

DOCKET NO.: 21-00581.001-R-1 PARCEL NO.: 14-11-404-005

The parties of record before the Property Tax Appeal Board are Barbara and Richard Barrie, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,694 **IMPR.:** \$166,684 **TOTAL:** \$200,378

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 3,455 square feet of living area. The dwelling was constructed in 2005. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 1,144 square foot garage. The property has a 61,881 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellants contend assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellants submitted information on four comparable properties that are located from .37 of a mile to 1.24 miles from the subject. The comparables are improved with 1-story or 2-story dwellings of wood siding or brick exterior construction ranging in size from 3,035 to 3,464 square feet of living area. The dwellings are 17 to 23 years old. The comparables each have an unfinished basement, central air conditioning,

one or three fireplaces and a garage ranging in size from 650 to 936 square feet of building area. The comparables have improvement assessments ranging from \$136,458 to \$157,007 or from \$43.30 to \$45.96 per square foot of living area. Based on this evidence the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$200,378. The subject property has an improvement assessment of \$166,684 or \$48.24 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparable properties that are located within .94 of a mile from the subject. The comparables are improved with 1-story dwellings of brick or frame exterior construction ranging in size from 2,874 to 3,325 square feet of living area. The dwellings were built from 1981 to 1987. The comparables have unfinished full basements, two of which have a walkout design. Each comparable has central air conditioning, two or three fireplaces and a garage ranging in size from 828 to 1,019 square feet of building area. Comparable #3 has an inground swimming pool and a gazebo. The comparables have improvement assessments ranging from \$134,321 to \$163,066 or from \$46.44 to \$49.04 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity with respect to the subject's improvement as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable properties for the Board's consideration. The Board gives less weight to the appellants' comparables #1, #2 and #3, due to their location over a mile from the subject and/or their dissimilar 2-story design dwelling when compared to the subject. The Board also gives less weight to the board of review's comparable #3 which has an inground swimming pool that is not a feature of the subject. The Board gives most weight to appellants' comparable #4 as well as board of review comparables #1 and #2 which are similar to the subject in location, style and some features. However, two comparables are older dwellings and each comparable has a smaller garage size when compared to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$134,321 to \$156,091 or from \$45.96 to \$46.74 per square foot of living area. The subject's improvement assessment of \$166,684 or \$48.24 per square foot of living area falls above the improvement assessments of the best comparables in the record. However, after considering adjustments to the best comparables for differences in age and garages when compared to the subject, the Board finds the subject's higher improvement assessment is justified. Based on this record, the Board finds the appellants

did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
