

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Govind Arora
DOCKET NO.: 21-00586.001-R-1
PARCEL NO.: 14-14-201-015

The parties of record before the Property Tax Appeal Board are Govind Arora, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,824
IMPR.: \$129,933
TOTAL: \$160,757

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,568 square feet of living area. The dwelling was constructed in 1985 and is approximately 36 years old. The dwelling has a reported effective year built of 1989. Features of the home include an unfinished basement, central air conditioning, and a 572 square foot garage. The property has an approximately 40,581 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties located .48 of a mile to 1.72 miles from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,024 to 3,699 square feet of living area. The dwellings are 31 or 33 years old and have unfinished basements. Each

comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 704 to 988 square feet of building area. The comparables have improvement assessments ranging from \$103,082 to \$111,786 or from \$30.22 to \$35.17 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,757. The subject property has an improvement assessment of \$129,933 or \$36.42 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparable properties located .22 of a mile to 1.72 miles from the subject. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 3,464 to 3,615 square feet of living area. The dwellings were built from 1987 to 2001 with comparable #5 having an effective year built of 1991. The comparables have basements, one of which has a walkout design. Each comparable also has central air conditioning, one to three fireplaces and a garage ranging in size from 682 to 950 square feet of building area. The comparables have improvement assessments ranging from \$141,112 to \$157,007 or from \$39.51 to \$45.33 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to appellant's comparable #1, #3 and #4 as well as board of review comparables #2 and #4 which are located over 1.4 miles from the subject. The Board gives less weight to board of review comparable #1 due to difference in year built when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #2 along with board of review comparables #3 and #5 which are similar to the subject in location, design, age, dwelling size and features. The best comparables have improvement assessments ranging from \$104,156 to \$149,583 or from \$30.96 to \$41.38 per square foot of living area. The subject's improvement assessment of \$129,933 or \$36.42 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds

the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
