

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sophia Chojecka  
DOCKET NO.: 21-00597.001-R-1  
PARCEL NO.: 12-18-319-012

The parties of record before the Property Tax Appeal Board are Sophia Chojecka, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,016  
**IMPR.:** \$48,472  
**TOTAL:** \$60,488

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,179 square feet of living area. The dwelling was constructed in 1962 and is approximately 59 years old. The dwelling has a reported effective year built of 1968. Features of the home include a crawl space foundation, central air conditioning, and a 528 square foot garage. The property has an approximately 6,028 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties located within .39 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding or brick exterior construction ranging in size from 1,251 to 1,596 square feet of living area. The dwellings are 61 to 68 years old. Three comparables have crawl

space or concrete slab foundations and one comparable has a basement with finished area. Each comparable has central air conditioning and a garage ranging in size from 300 to 610 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$49,228 to \$56,712 or from \$35.53 to \$39.35 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,488. The subject property has an improvement assessment of \$48,472 or \$41.11 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparable properties located within .18 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding, brick, or wood siding and brick exterior construction ranging in size from 1,152 to 1,310 square feet of living area. The dwellings were built from 1954 to 1968 and have concrete slab or crawl space foundations. One comparable has central air conditioning. Two comparables each have one fireplace. Each comparable has a garage ranging in size from 240 to 576 square feet of building area. The comparables have improvement assessments ranging from \$45,746 to \$52,277 or from \$37.01 to \$43.10 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to appellant's comparable #1, #2 and #3 which have a larger dwelling size and/or a basement when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 along with the board of review comparables which are similar to the subject in location, design, age, dwelling size and some features. The best comparables have improvement assessments ranging from \$45,746 to \$52,277 or from \$37.01 to \$43.10 per square foot of living area. The subject's improvement assessment of \$48,472 or \$41.11 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
