

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Birch
DOCKET NO.: 21-00792.001-R-1
PARCEL NO.: 14-32-105-010

The parties of record before the Property Tax Appeal Board are Chris Birch, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,835
IMPR.: \$206,140
TOTAL: \$249,975

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,574 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 726 square feet of building area. The property has a 44,120 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .73 of a mile of the subject. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,106 to 4,746 square feet of living area. The homes were built from 1984 to 1996. Each dwelling has central air conditioning, one to three fireplaces, an unfinished basement, and a garage ranging in size from 693 to 972 square feet of

building area. The parcels range in size from 46,460 to 90,880 square feet of land area. The comparables sold from April to August 2020 for prices ranging from \$530,000 to \$720,000 or from \$123.06 to \$163.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$219,349, for an estimated market value of \$658,113 or \$143.88 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$249,975. The subject's assessment reflects a market value of \$751,805 or \$164.36 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .64 of a mile of the subject. The comparables consist of two-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 4,132 to 5,053 square feet of living area. The dwellings were built from 1983 to 2004. Each dwelling has central air conditioning, two to four fireplaces, an unfinished basement, and a garage ranging in size from 729 to 911 square feet of building area. Comparables #2 and #4 each have an inground swimming pool. The parcels range in size from 37,910 to 98,110 square feet of land area. The comparables sold from March 2020 to November 2021 for prices ranging from \$720,000 to \$1,050,000 or from \$169.13 to \$240.77 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #3 due to its larger parcel in relation to the subject. The Board also gives reduced weight to board of review comparables #2, #4, and #5 due to differences in age, parcel size, and/or inground swimming pool amenity when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, #4, and #5 along with board of review comparable sales #1 and #3, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$635,000 to \$1,050,000 or from \$150.18 to \$240.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$751,805 or \$164.36 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the

best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
