

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Vara  
DOCKET NO.: 21-00799.001-R-1  
PARCEL NO.: 14-22-201-081

The parties of record before the Property Tax Appeal Board are Steven Vara, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,411  
**IMPR.:** \$161,936  
**TOTAL:** \$210,347

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,286 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 748 square feet of building area. The property has a 17,630 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .15 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story

or part one-story and part two-story dwellings<sup>1</sup> of wood siding or brick and wood siding exterior construction ranging in size from 3,077 to 3,963 square feet of living area. The homes were built from 1995 to 1998. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 660 to 788 square feet of building area. The parcels range in size from 15,400 to 32,980 square feet of land area. The comparables sold from March 2020 to March 2021 for prices ranging from \$550,000 to \$637,500 or from \$153.03 to \$178.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$180,889, for an estimated market value of \$542,721 or \$165.16 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$210,347. The subject's assessment reflects a market value of \$632,623 or \$192.52 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .13 of a mile of the subject and within the subject's assessment neighborhood. Comparable #5 is the same property as appellant comparable #5. The comparables consist of two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,894 to 3,963 square feet of living area. The dwellings were built in 1994 or 1996. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in size from 680 to 814 square feet of building area. The parcels range in size from 16,180 to 19,490 square feet of land area. The comparables sold from March 2020 to July 2021 for prices ranging from \$600,000 to \$710,000 or from \$160.86 to \$224.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #4 and #5/board of review comparable #5 due to differences in dwelling size when compared to the subject.

---

<sup>1</sup> Although the appellant's grid describes comparable #4 as a one-story dwelling, the grid reports a 776 square foot ground floor and 3,932 square feet of above ground living area, indicating that this property is a part two-story dwelling.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$550,000 to \$710,000 or from \$153.03 to \$224.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$632,623 or \$192.52 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
