

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory Segal
DOCKET NO.: 21-00825.001-R-1
PARCEL NO.: 15-15-404-130

The parties of record before the Property Tax Appeal Board are Gregory Segal, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,351
IMPR.: \$68,817
TOTAL: \$112,168

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling with 1,887 square feet of living area. The dwelling was constructed in 2002. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 324 square foot garage. The property is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.06 of a mile from the subject. The comparables are improved with 1-story homes ranging in size from 1,591 to 1,980 square feet of living area that were built in 2002 or 2004. Each home features a concrete slab foundation, central air conditioning, and garage ranging in size from 180 to 360 square feet of building area. Three homes each have a fireplace. The comparables sold from March 2020 to

January 2021 for prices ranging from \$266,500 to \$335,000 or from \$147.30 to \$171.05 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,168. The subject's assessment reflects a market value of \$337,347 or \$178.77 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.06 of a mile from the subject. Comparables #1 and #3 are the same properties as the appellant's comparables #1 and #4, respectively, however, the board of review reported a subsequent sale of comparable #3 in August 2021. The board of review presented a listing sheet for this August 2021 sale, which discloses that this property "sold before processing" and listed for sale for 1 day. The comparables are improved with 1-story homes ranging in size from 1,867 or 1,980 square feet of living area that were built from 2001 to 2004. Each home has a concrete slab foundation, central air conditioning, and a square foot garage ranging in size from 189 to 400 square feet of building area. The comparables sold from January to October 2021 for prices ranging from \$333,750 to \$355,000 or from \$169.19 to \$187.14 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales, with one common sale and one common property that sold twice, for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #5, which are less similar to the subject in dwelling size than the other comparables in this record. The Board also gives less weight to the August 2021 sale of the appellant's comparable #4/board of review's comparable #3, which sold before the listing was processed, suggesting this property was not advertised for sale on the open market before it sold.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review's comparable #1, the March 2020 sale of the appellant's comparable #4/board of review's comparable #3, and the board of review's comparables #2 and #5, which are similar to the subject in dwelling size, age, location, and features. These most similar comparables sold for prices ranging from \$275,000 to \$355,000 or from \$147.30 to \$187.14 per square foot of living

area, including land. The subject's assessment reflects a market value of \$337,347 or \$178.77 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
