

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Lee  
DOCKET NO.: 21-00826.001-R-1  
PARCEL NO.: 15-33-222-015

The parties of record before the Property Tax Appeal Board are Michael Lee, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,634  
**IMPR.:** \$150,069  
**TOTAL:** \$191,703

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 3,198 square feet of living area. The dwelling was constructed in 1993. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 441 square foot garage. The property has an approximately 10,150 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.24 of a mile from the subject. The parcels range in size from 9,630 to 12,910 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 3,140 to 3,558 square feet of living area. The dwellings were built from 1990 to 1992. Each home has a basement, three of which have finished area, central air conditioning, a fireplace, and a 441 or a

462 square foot garage. Comparable #1 has an inground swimming pool. The comparables sold from January 2020 to April 2021 for prices ranging from \$465,000 to \$563,000 or from \$148.09 to \$176.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,703. The subject's assessment reflects a market value of \$576,550 or \$180.28 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.24 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #5. Comparable #2 has a 10,160 square foot site improved with a 2-story home of wood siding exterior construction with 3,166 square feet of living area. The home was built in 1991 and features a basement with finished area, central air conditioning, and a 609 square foot garage. This home sold in July 2021 for a price of \$622,500 or \$196.62 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 and the appellant's comparable #5/board of review's comparable #1, due to substantial differences from the subject in dwelling size, basement finish, and/or inground swimming pool amenity.

The Board finds the best evidence of market value to the appellant's comparables #2 and #3 and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$476,600 to \$622,500 or from \$150.54 to \$196.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$576,550 or \$180.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
