

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angela Holsen
DOCKET NO.: 21-00856.001-R-1
PARCEL NO.: 14-02-304-020

The parties of record before the Property Tax Appeal Board are Angela Holsen, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,294
IMPR.: \$125,969
TOTAL: \$161,263

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,248 square feet of living area. The dwelling was constructed in 1988. Features of the home include a walkout basement, central air conditioning, a fireplace, and a 936 square foot garage. The property has an approximately 46,760 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.84 of a mile from the subject. The parcels range in size from 35,850 to 93,460 square feet of land area and are improved with 2-story or part 1-story part 2-story homes¹ of wood siding or brick and wood

¹ The appellant described comparable #4 as a 1-story home but also reported above ground living area that is greater than the reported ground floor living area, suggesting this home has second floor living area.

siding exterior construction ranging in size from 2,718 to 3,543 square feet of living area. The dwellings were built from 1978 to 1994. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 704 to 858 square feet of building area. The comparables sold from March 2020 to February 2021 for prices ranging from \$365,000 to \$419,000 or from \$108.12 to \$140.80 square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$178,353. The subject's assessment reflects a market value of \$536,400 or \$165.15 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.86 of a mile from the subject. The parcels range in size from 39,240 to 45,170 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 2,614 to 3,426 square feet of living area. The dwellings were built from 1969 to 1988 with the oldest home having an effective age of 1972. Each home has a basement, one of which is a walkout basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 560 to 962 square feet of building area. The comparables sold from February 2020 to August 2021 for prices ranging from \$463,000 to \$555,000 or from \$159.96 to \$179.50 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4 and the board of review's comparables #1, #2, and #5, which are less similar to the subject in dwelling size, age/effective age, and/or lot size than the other comparables in this record. The Board also gives less weight to the appellant's comparable #1, which sold for considerably less than the other comparables in this record, and the board of review's comparable #3, which sold for considerably more than the other comparables in this record, suggesting these sales were outliers.

The Board finds the best evidence of market value to be the appellant's comparable #5 and the board of review's comparable #4, which are more similar to the subject in dwelling size, age/effective age, location, site size, and features. These two most similar comparables sold for prices of \$400,000 and \$469,000 or for \$124.46 and \$159.96 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$536,400 or

\$165.15 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
