

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melanee Kretschmar
DOCKET NO.: 21-00858.001-R-1
PARCEL NO.: 14-10-306-016

The parties of record before the Property Tax Appeal Board are Melanee Kretschmar, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,230
IMPR.: \$104,232
TOTAL: \$134,462

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,638 square feet of living area. The dwelling was constructed in 2003. Features of the home include a walkout basement, central air conditioning, a fireplace, and a 600 square foot garage. The property has an approximately 13,750 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.73 of a mile from the subject. The parcels range in size from 5,310 to 9,730 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,096 to 3,270 square feet of living area. The dwellings were built from 1988 to 2008. Each home has a basement, central air conditioning, and a garage ranging in size from 420 to 608 square feet of

building area. Two homes each have a fireplace. The comparables sold from February 2020 to June 2021 for prices ranging from \$287,000 to \$400,000 or from \$116.67 to \$140.19 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,462. The subject's assessment reflects a market value of \$404,397 or \$153.30 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.80 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #4. The parcels range in size from 5,200 to 7,960 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,300 to 2,568 square feet of living area. The dwellings were built from 1994 to 2006. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 440 to 483 square feet of building area. The comparables sold from April to October 2020 for prices ranging from \$360,000 to \$405,000 or from \$140.19 to \$174.34 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, and #5 and the board of review's comparables #1, #2, and #4, due to substantial differences from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be the appellant's comparable #4/board of review's comparable #3 and the board of review's comparable #5, which are more similar to the subject in dwelling size, age, location, and features, although these comparable have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$360,000 and \$380,000 or for \$140.19 and \$154.22 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$404,397 or \$153.30 per square foot of living area, including land, which is above the best comparable sales in terms of total market value and bracketed by the best comparables on a price per square foot basis, which is logical given the subject is a larger home with a walkout basement and a larger lot than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
