

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Thomas
DOCKET NO.: 21-00859.001-R-1
PARCEL NO.: 14-10-207-014

The parties of record before the Property Tax Appeal Board are Larry Thomas, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,927
IMPR.: \$147,529
TOTAL: \$179,456

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,301 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement, central air conditioning, four fireplaces, a 1,098 square foot garage, and an inground swimming pool. The property has an approximately 42,040 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.76 of a mile from the subject. The comparables have 40,450 to 45,470 square foot sites that are improved with 2-story homes of wood siding or brick and wood siding exterior construction. The homes range in size from 2,432 to 2,985 square feet of living area and were built from 1983 to 2002. Each home has a basement, central air conditioning, and a garage ranging in size from 638 to 960 square feet of

building area. Two homes have one or two fireplaces. The comparables sold from March to June 2020 for prices of \$385,000 and \$398,000 or from \$128.98 to \$158.31 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,456. The subject's assessment reflects a market value of \$539,717 or \$163.50 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.62 of a mile from the subject. The parcels range in size from 40,330 to 69,840 square feet of land area and are improved with 1.5-story or 2-story homes of wood siding or brick and wood siding exterior construction. The homes range in size from 2,562 to 3,622 square feet of living area and were built from 1981 to 1996. Each home has a basement, three of which are walkout basements, central air conditioning, one to three fireplaces, and a garage ranging in size from 792 to 1,106 square feet of building area. The comparables sold from June 2020 to August 2021 for prices ranging from \$469,000 to \$619,000 or from \$159.96 to \$208.82 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and the board of review's comparables #2, #4, and #5, due to substantial differences from the subject in dwelling size and/or lot size.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #1 and #3, which are more similar to the subject in dwelling size, age, location, site size, and features, although none of these comparables has an inground swimming pool like the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$385,000 to \$601,000 or from \$128.98 to \$174.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$539,717 or \$163.50 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
