

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kim Truong  
DOCKET NO.: 21-00868.001-R-1  
PARCEL NO.: 14-11-410-012

The parties of record before the Property Tax Appeal Board are Kim Truong, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,821  
**IMPR.:** \$171,409  
**TOTAL:** \$205,230

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 4,315 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 713 square feet of building area. The property has a 40,080 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .55 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick, wood siding, or wood siding and brick exterior construction ranging in size from 3,230 to 4,760 square feet of living area. The homes were built from 1987 to 2003, with comparable #3 having an effective age of 1990. Each dwelling has central air conditioning, one

or two fireplaces, an unfinished basement, and a garage ranging in size from 640 to 1,412 square feet of building area. The parcels range in size from 39,860 to 81,760 square feet of land area. The comparables sold from January 2020 to June 2021 for prices ranging from \$410,000 to \$670,000 or from \$126.93 to \$143.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$191,317, for an estimated market value of \$574,008 or \$133.03 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,230. The subject's assessment reflects a market value of \$617,233 or \$143.04 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .46 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding, brick, or brick and wood siding exterior construction ranging in size from 3,342 to 4,503 square feet of living area. The dwellings were built from 2001 to 2004. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 620 to 744 square feet of building area. The parcels range in size from 40,080 to 44,430 square feet of land area. The comparables sold from July 2020 to October 2021 for prices ranging from \$649,000 to \$710,000 or from \$152.12 to \$194.20 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 through #4, as well as board of review comparable #5, due to differences in age and/or dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #1 through #4, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$663,000 to \$710,000 or from \$140.76 to \$177.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$617,233 or \$143.04 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis and below the range overall. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
