

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Base Paul
DOCKET NO.: 21-00869.001-R-1
PARCEL NO.: 14-11-408-030

The parties of record before the Property Tax Appeal Board are Base Paul, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,821
IMPR.: \$164,082
TOTAL: \$197,903

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,422 square feet of living area. The dwelling was constructed in 2002. Features of the home include a basement with finished area,¹ central air conditioning, a fireplace, and a garage containing 682 square feet of building area. The property has a 40,080 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .42 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from

¹ The board of review submitted a Multiple Listing Service sheet for the subject, which was not refuted by the appellant, and which indicates the subject has finished basement area.

2,948 to 4,317 square feet of living area. The homes were built from 1986 to 2001, with comparable #4 having an effective age of 1990. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in size from 620 to 1,412 square feet of building area. The parcels range in size from 39,860 to 81,760 square feet of land area. The comparables sold from January to December 2020 for prices ranging from \$410,000 to \$622,000 or from \$126.93 to \$145.69 per square foot of living area, including land. Based on this evidence, the appellant requested the assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,903. The subject's assessment reflects a market value of \$595,197 or \$173.93 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables consist of two-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 3,036 to 3,925 square feet of living area. The dwellings were built from 1985 to 2004. With comparable #5 having an effective age of 1988. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 594 to 748 square feet of building area. Comparable #5 has an inground swimming pool. The parcels range in size from 39,660 to 43,560 square feet of land area. The comparables sold from April 2020 to November 2021 for prices ranging from \$560,000 to \$694,990 or from \$177.07 to \$194.20 per square foot of living area, including land. The board of review also submitted a Multiple Listing Service sheet for the subject as evidence of the subject's July 2018 sale price of \$705,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables, as well as board of review comparables #4 and #5, due to differences in age and/or dwelling size when compared to the subject. The Board also gives reduced weight to the subject's 2018 sale as it is less proximate to the January 1, 2021 valuation date at issue.

The Board finds the best evidence of market value to be board of review comparable sales #1 through #3, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold for prices ranging from \$649,000 to \$694,990 or from \$177.07 to \$194.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$595,197 or \$173.93 per square foot of living area, including land,

which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
