

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tony Bono  
DOCKET NO.: 21-00871.001-R-1  
PARCEL NO.: 14-08-310-020

The parties of record before the Property Tax Appeal Board are Tony Bono, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,191  
**IMPR.:** \$171,965  
**TOTAL:** \$215,156

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,191 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 736 square feet of building area. The property has a 15,250 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .86 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story or 2-story dwellings of brick or wood siding and brick exterior construction ranging in size from 3,995 to 5,212 square feet of living area. The homes were built from 2003 to 2005. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a

garage ranging in size from 424 to 949 square feet of building area. The parcels range in size from 15,250 to 15,900 square feet of land area. The comparables sold from July 2020 to May 2021 for prices ranging from \$560,000 to \$718,000 or from \$135.25 to \$144.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$197,682, for an estimated market value of \$593,105 or \$141.52 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,156. The subject's assessment reflects a market value of \$647,086 or \$154.40 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within .86 of a mile of the subject and within the subject's assessment neighborhood. Comparable #2 is the same property as appellant comparable #4, however the board of review reported an additional sale of the property. The comparables consist of 1.5-story or 2-story dwellings of brick exterior construction containing either 3,995 or 4,563 square feet of living area. The dwellings were built in 2004 or 2006. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage containing either 766 or 937 square feet of building area. The parcels contain either 15,250 or 20,040 square feet of land area. The comparables sold in June or August 2021 for prices of \$684,900 and \$800,000 or for \$171.44 and \$175.32 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #2 due to its larger dwelling in relation to the subject. The Board also gives reduced weight to board of review comparable #1, which appears to be an outlier given its much higher sale price in relation to the other comparables in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$560,000 to \$684,900 or from \$135.25 to \$171.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$647,086 or \$154.40 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
