

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Edwards
DOCKET NO.: 21-00939.001-R-1
PARCEL NO.: 15-23-301-071

The parties of record before the Property Tax Appeal Board are Charles Edwards, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,735
IMPR.: \$122,583
TOTAL: \$153,318

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part two-story dwelling¹ of brick exterior construction with 3,284 square feet of living area. The dwelling was constructed in 1995. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 480 square foot garage. The property has a 10,450 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .22 of a mile from the subject property. The comparables have sites that range in size from 5,230 to 10,890 square feet of land area. The

¹ The Board finds the best description of the subject dwelling's story height is found in the subject's property record card provided by the board of review that contained a schematic diagram and dimensions of the dwelling.

appellant reported that the comparables are improved with one-story² or two-story dwellings of brick exterior construction ranging in size from 3,026 to 3,354 square feet of living area. The dwellings were built from 1994 to 1996. Each comparable has a concrete slab foundation, central air conditioning, one or two fireplaces and a garage ranging in size from 400 to 480 square feet of building area. The comparables sold from July 2020 to January 2021 for prices ranging from \$350,000 to \$440,000 or from \$108.26 to \$131.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,318. The subject's assessment reflects a market value of \$461,107 or \$140.41 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .41 of a mile from the subject property. The comparables have sites that range in size from 7,810 to 9,580 square feet of land area. The board of review reported that the comparables are improved with one-story³ or two-story dwellings of brick exterior construction ranging in size from 3,354 to 3,502 square feet of living area. The dwellings were built from 1992 to 1995. Each comparable has a concrete slab foundation, central air conditioning, one or two fireplaces and a garage ranging in size from 400 to 480 square feet of building area. The comparables sold from June to December 2021 for prices ranging from \$510,000 to \$575,000 or from \$148.49 to \$166.96 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board finds all of the comparables are similar to the subject in location, dwelling size, age and some features. The comparables sold from July 2020 to December 2021 for prices ranging from \$350,000 to \$575,000 or from \$108.26 to \$166.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$461,107 or \$140.41 per square foot of living area, including land, which falls within the range established by the comparable sales in the

² The appellant's comparables #1, #2 and #3 have ground floor areas of 809, 1,096 and 1,213 square feet with above ground areas of 3,233, 3,268 and 3,354 square feet, respectively, suggesting these are part two-story dwellings.

³ The board of review's comparables #2, #3, #4 and #5 have ground floor areas of 1,096, 1,213, 1,112 and 885 square feet with above ground areas of 3,468, 3,354, 3,444 and 3,393 square feet, respectively, suggesting these are part two-story dwellings.

record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
