

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oliver Cachola
DOCKET NO.: 21-01057.001-R-1
PARCEL NO.: 06-25-312-021

The parties of record before the Property Tax Appeal Board are Oliver Cachola, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,910
IMPR.: \$74,683
TOTAL: \$88,593

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,073 square feet of living area. The dwelling was constructed in 1993 and has an effective year built of 1996. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 420 square foot garage. The property has an approximately 8,050 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.42 of a mile from the subject property. The comparables have sites that range in size from 7,200 to 12,490 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 1,913 to 2,636 square feet of living area. The dwellings were built in 1992 or 1993 and have effective ages ranging from 1992 to 1996. Four comparables have a basement,

with three having finished area, and one comparable has a crawl space foundation. Each dwelling has central air conditioning and a 420 or 484 square foot garage. Four homes each have one fireplace and comparable #3 has an inground swimming pool. The properties sold from January to September 2020 for prices ranging from \$219,800 to \$260,000 or from \$92.94 to \$124.58 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,593. The subject's assessment reflects a market value of \$266,445 or \$128.53 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.40 of a mile from the subject property. The comparables have sites that range in size from 4,790 to 10,530 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 2,008 to 2,148 square feet of living area. The homes were built from 1991 to 1996 with comparable #5 having an effective age of 1997. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 400 to 420 square feet of building area. The properties sold from May to October 2021 for prices ranging from \$315,000 to \$383,500 or from \$146.65 to \$187.62 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #3 and #4 along with board of review comparables #1 and #2 which differ from the subject in foundation type, dwelling size, site size and/or feature an inground swimming pool which the subject property lacks.

The Board finds the best evidence of market value to be appellant comparables #2 and #5 as well as board of review comparables #3, #4 and #5 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May 2020 to October 2021 for prices ranging from \$225,000 to \$383,500 or from \$100.81 to \$187.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$266,445 or \$128.53 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
