

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffery Daniels
DOCKET NO.: 21-01071.001-R-1
PARCEL NO.: 02-07-111-002

The parties of record before the Property Tax Appeal Board are Jeffery Daniels, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,124
IMPR.: \$74,263
TOTAL: \$85,387

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,413 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 441 square foot garage. The property has an approximately 10,020 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.41 of a mile from the subject property. The comparables have sites that range in size from 7,410 to 11,330 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,472 to 2,923 square feet of living area. The dwellings were built from 2001 to 2003. Each comparable has a basement with one having finished area. Each dwelling has

central air conditioning and a garage ranging in size from 380 to 715 square feet of building area. Two homes each have one fireplace. The properties sold from February 2020 to January 2021 for prices ranging from \$200,000 to \$252,000 or from \$71.40 to \$98.16 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,387. The subject's assessment reflects a market value of \$256,803 or \$106.42 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

The board of review submitted comments critiquing the appellant's comparables, arguing comparable #1, #4 and #5 are substantially larger in dwelling size when compared to the subject's dwelling size. The board of review contended that appellant comparable #5 reflected a short sale and that the property needed "several cosmetic repairs." In support of this contention the board of review submitted a copy of the Multiple Listing Service (MLS) information sheet for the appellant's comparable #5.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.43 of a mile from the subject property. Four comparables have sites that range in size from 7,410 to 12,630 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,288 to 2,571 square feet of living area. The homes were built from 1998 to 2002. Each comparable has a basement with one having finished area. Each dwelling has central air conditioning and a garage ranging in size from 399 to 859 square feet of building area. Three homes each have one fireplace. The properties sold from May 2020 to April 2021 for prices ranging from \$238,000 to \$288,500 or from \$104.02 to \$112.21 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #2, #4 and #5 along with board of review comparable #3 which differ from the subject in dwelling size and/or have finished basement area, unlike the subject.

The Board finds the best evidence of market value to be appellant comparable #3 and board of review comparables #1, #2, #4 and #5 which are more similar to the subject in location, age,

design, dwelling size and other features. These comparables sold from May 2020 to April 2021 for prices ranging from \$238,000 to \$288,500 or from \$98.16 to \$112.21 per square foot of living area, including land. The subject's assessment reflects a market value of \$256,803 or \$106.42 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
