

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Roemisch
DOCKET NO.: 21-01093.001-R-1
PARCEL NO.: 07-18-402-004

The parties of record before the Property Tax Appeal Board are Laurie Roemisch, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,163
IMPR.: \$128,358
TOTAL: \$148,521

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,174 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 714 square foot garage. The property has an approximately 10,020 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.42 of a mile from the subject property. The comparables have sites that range in size from 10,020 to 16,120 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,159 to 3,354 square feet of living area. The dwellings were built from 1995 to 2003. Each comparable has a basement with finished area, central air conditioning, one

or two fireplaces and a garage ranging in size from 570 to 690 square feet of building area. The properties sold from August 2020 to October 2021 for prices ranging from \$390,000 to \$450,000 or from \$116.28 to \$142.45 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,521. The subject's assessment reflects a market value of \$446,680 or \$140.73 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.49 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 10,450 to 14,370 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,993 to 3,308 square feet of living area. The homes were built from 1996 to 1998. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning, one or two fireplaces and a garage ranging in size from 657 to 903 square feet of building area. The properties sold from March 2020 to August 2021 for prices ranging from \$450,000 to \$499,000 or from \$142.45 to \$160.37 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration, as one property is common to both parties. The Board gives less weight to board of review comparables #1 and #3 which lack a finished basement like the subject.

The Board finds the best evidence of market value to be the appellant's comparables and board of review comparables #2, #4 and #5, which includes the common property. These properties are more similar to the subject in location, age, design, dwelling size and some other features. These comparables sold from March 2020 to October 2021 for prices ranging from \$390,000 to \$480,000 or from \$116.28 to \$160.37 per square foot of living area, including land. Removing the high and low sales, appellant comparable #3 and board of review comparable #5, results in a tighter value range of \$420,000 to \$455,000 or from \$128.40 to \$143.58 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$446,680 or \$140.73 per square foot of living area, including land, which falls within the range of the best comparables, with the narrowest range, contained in the record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
