

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andreas Kurzenberger  
DOCKET NO.: 21-01094.001-R-1  
PARCEL NO.: 06-27-208-010

The parties of record before the Property Tax Appeal Board are Andreas Kurzenberger, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,662  
**IMPR.:** \$85,661  
**TOTAL:** \$101,323

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,378 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 483 square foot garage. The property has an approximately 10,000 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.41 of a mile from the subject property. The comparables have sites that range in size from 8,710 to 11,760 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,042 to 2,776 square feet of living area. The dwellings were built from 1992 to 1997. Four comparables have a basement, one of which has finished area and one comparable

has a crawl space foundation. Each dwelling has central air conditioning and a garage ranging in size from 420 to 610 square feet of building area. Four homes each have one fireplace. The properties sold from March to September 2020 for prices ranging from \$225,000 to \$260,000 or from \$92.96 to \$110.19 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,323. The subject's assessment reflects a market value of \$304,731 or \$128.15 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.32 of a mile from the subject property. The comparables have sites that range in size from 10,450 to 14,420 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,411 to 2,574 square feet of living area. The homes were built from 1992 to 1997. Comparables #3 and #5 each have an effective age of 1997. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning, one fireplace and a garage ranging in size from 392 to 483 square feet of building area. The properties sold from August 2020 to December 2021 for prices ranging from \$338,000 to \$425,000 or from \$133.70 to \$165.11 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #3, #4 and #5 along with board of review comparables #1 and #2 which lack finished basement area or differ in foundation type when compared to the subject.

The Board finds the best evidence of market value to be appellant comparable #2 and board of review comparables #3, #4 and #5 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from March 2020 to December 2021 for prices ranging from \$225,000 to \$425,000 or from \$108.49 to \$165.11 per square foot of living area, including land. Removing the low and high sales, appellant comparable #2 and board of review comparable #5, results in a tighter value range of \$338,000 and \$355,000 or from \$133.70 and \$139.38 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$304,731 or \$128.15 per square foot of living area, including land, which falls below the two best comparables, with the narrowest range,

contained in the record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
