

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Hutchison  
DOCKET NO.: 21-01096.001-R-1  
PARCEL NO.: 13-36-204-004

The parties of record before the Property Tax Appeal Board are Daniel Hutchison, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,522  
**IMPR.:** \$151,735  
**TOTAL:** \$197,257

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of aluminum siding exterior construction with 3,559 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 721 square foot garage. The property has an 18,330 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted information on five comparable sales which have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from February 2020 to June 2021 for prices ranging from \$425,000 to \$592,000 or from \$134.71 to \$164.88 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The Board takes notice the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-00900. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$196,647 based on an agreement between the parties. In its submission, the board of review reported that 2019 was the beginning of the subject's general assessment cycle.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,257. The subject's assessment reflects a market value of \$593,254 or \$166.69 per square foot of living area, land included when applying the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. The board of review disclosed that an equalization factor of 1.0031 was applied for the 2021 tax year in Cuba Township.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from December 2020 to November 2021 for prices ranging from \$524,000 to \$735,000 or from \$168.33 to \$233.63 per square foot of living area, land included, respectively. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is not warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 20-00900. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$196,647. The Property Tax Appeal Board takes notice that Cuba Township's general assessment period began in the 2019 tax year and continues through the 2022 tax year. The Board also finds this record shows that a 1.0031 equalization factor was issued in Cuba Township for the 2021 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, **subject to equalization**, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through

9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. [Emphasis added]

The Board finds this record disclosed the subject property is an owner-occupied residence and that the 2020 and 2021 tax years are within the same general assessment period for Cuba Township. The record contains no evidence showing the Board's 2020 decision was reversed or modified upon review or that the subject property sold in an arm's-length transaction establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that the prior year's decision should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), however, no reduction in the subject's assessment is warranted as the subject's 2021 assessment reflects the Board's 2020 decision plus application of the 2021 equalization factor pursuant to Section 16-185.

Additionally, notwithstanding the dictates of Section 16-185 of the Property Tax Code, the record contains ten comparable sales to support their respective arguments. These properties sold from February 2020 to November 2021 for prices ranging from \$425,000 to \$735,000 or from \$134.71 to \$233.63 per square foot of living area, including land. The subject's assessment reflects a market value of \$593,254 or \$166.69 per square foot of living area, land included, which falls within the range of the comparable sales in this record. The Board finds on this record that the comparable sales further support the subject's 2021 assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
