

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Knowles
DOCKET NO.: 21-01110.001-R-1
PARCEL NO.: 13-11-100-126

The parties of record before the Property Tax Appeal Board are Diane Knowles, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,187
IMPR.: \$81,749
TOTAL: \$89,936

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story condominium unit of wood siding exterior construction with 1,229 square feet of living area. The dwelling was constructed in 1988. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 205 square foot garage. The property has an approximately 1,230 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.63 of a mile from the subject. The comparables have sites with either 1,230 or 1,350 square feet of land area. The comparables are improved with 1-story condominium units of wood siding exterior construction with either 1,229 or 1,354 square feet of living area. The dwellings were built from 1987 to 1995. Two

comparables each have a full basement with finished area and three comparables each have a concrete slab foundation. Each comparable has central air conditioning, one fireplace, and a garage with either 205 or 210 square feet of building area. The comparables sold from October 2020 to June 2021 for prices ranging from \$217,000 to \$258,500 or from \$176.57 to \$194.47 per square foot of living area, land included. Based on this evidence the appellant requested a reduction in the subject's assessment to \$73,505 which would reflect a market value of \$220,537 or \$179.44 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,936. The subject's assessment reflects a market value of \$270,484 or \$220.08 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.30 of a mile from the subject. The comparables each have a site with 1,230 square feet of land area. The comparables are improved with 1-story condominium units of wood siding exterior construction with 1,229 square feet of living area. The dwellings were built in either 1987 or 1989. The comparables each have a full basement with finished area, two of which are walkout basements. Each comparable has central air conditioning, one or two fireplaces, and a 205 square foot garage. The comparables sold from June 2020 to November 2021 for prices ranging from \$269,000 to \$311,000 or from \$218.88 to \$253.05 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, and #4 which differs from the subject in dwelling size or lacks a basement foundation, unlike the subject. The Board gives less weight to board of review comparables #4 and #5, which each have a walkout basement that is not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are identical or nearly identical to the subject in location, design, age, dwelling sizes, and most features. These four most similar comparables sold from June 2020 to November 2021 for prices ranging from \$217,000 to \$311,000 or from \$176.57 to \$253.05 per square foot of living area, including land. The subject's assessment reflects a market value of \$270,484 or \$220.08

per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
