

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Luc
DOCKET NO.: 21-01138.001-R-1
PARCEL NO.: 02-23-103-005

The parties of record before the Property Tax Appeal Board are Andrew Luc, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,682
IMPR.: \$90,896
TOTAL: \$100,578

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,923 square feet of living area. The dwelling was built in 2004. Features of the home include an unfinished walkout basement, central air conditioning, one fireplace, and a garage with 420 square feet of building area. The property has an approximately 9,100 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.67 of a mile from the subject. The comparables have sites that range in size from 7,800 to 15,350 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,518 to 3,398 square feet of living area. The dwellings were built in either 2005 or

2006. The comparables each have a basement with three being walkout style and two having finished area. Each comparable has central air conditioning and a garage that ranges in size from 400 to 640 square feet of building area. Four comparables each have one fireplace. The properties sold from April to October 2020 for prices ranging from \$228,000 to \$305,000 or from \$84.77 to \$95.19 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$87,213 which reflects a market value of \$261,665 or \$89.52 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,578. The subject's assessment reflects a market value of \$302,490 or \$103.49 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on eight comparable sales with the same neighborhood code as the subject property and located within 0.60 of a mile from the subject property. The comparables have sites that range in size from 7,797 to 11,086 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,529 to 3,469 square feet of living area. The dwellings were built from 2004 to 2006. Each comparable has a basement with one having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 440 to 700 square feet of building area. The comparables sold from January 2020 to September 2021 for prices ranging from \$256,400 to \$470,000 or from \$101.38 to \$136.31 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of thirteen comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #5 as well as board of review comparables #1, #3, #5, and #6 which differ from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. The seven properties sold from August 2020 to September 2021 for prices ranging from \$228,000 to \$340,000 or from \$84.77 to \$116.20 per square foot of living area, land included. The subject's assessment reflects a market value of \$302,490 or \$103.49 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record.

Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
