

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julia Santullano
DOCKET NO.: 21-01165.001-R-1
PARCEL NO.: 10-01-203-001

The parties of record before the Property Tax Appeal Board are Julia Santullano, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,821
IMPR.: \$108,499
TOTAL: \$129,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,002 square feet of living area. The dwelling was built in 1999. Features of the home include an unfinished basement, central air conditioning, a fully finished attic, and a garage with 550 square feet of building area. The property has an approximately 9,580 square foot site and is located in Grayslake, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.54 of a mile from the subject. The comparables have sites that range in size from 4,790 to 13,940 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,325 to 3,012 square feet of living area. The homes were built from 1999 to 2004.

Each comparable has an unfinished basement, central air conditioning, and a garage ranging in size from 484 to 550 square feet of building area. One comparable has a finished attic. One comparable has one fireplace. The comparables sold from July to September 2020 for prices ranging from \$260,000 to \$388,000 or from \$111.83 to \$128.82 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$119,910 which reflects a market value of \$359,766 or \$119.84 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,320. The subject's assessment reflects a market value of \$388,932 or \$129.56 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.31 miles from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,886 to 3,012 square feet of living area. The homes were built from 1998 to 2004 with comparable #3 having an effective year built of 2003. Each comparable has a basement with three having finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 550 to 759 square feet of building area. Two comparables each have an attic with one being fully finished. The comparables sold from April to November 2021 for prices ranging from \$485,000 to \$555,000 or from \$161.02 to \$189.19 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions. The Board gives less weight to the appellant's comparable #2 as well as board of review comparables #1, #3, and #5 which differ from the subject in dwelling size or basement finish.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. However, each of these comparables lacks a finished attic, which is a feature of the subject. These four properties sold from August 2020 to November 2021 for prices ranging from \$321,000 to \$555,000 or from \$121.50 to \$189.19 per square foot of living area, land included. The subject's assessment reflects a market value of \$388,932 or \$129.56 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for

differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
