

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John O'Brien
DOCKET NO.: 21-01213.001-R-1
PARCEL NO.: 06-22-102-004

The parties of record before the Property Tax Appeal Board are John O'Brien, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,854
IMPR.: \$82,642
TOTAL: \$95,496

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,732 square feet of living area. The dwelling was constructed in 1993. Features of the home include a full basement, central air conditioning and a 639 square foot garage. The property has a 9,400 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .51 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparable parcels range in size from 8,530 to 11,320 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction. The homes range in size from 2,276 to 3,246 square feet of living area and were built from 1996 to 1998. Each comparable has a full basement, one of which has finished area. Features include central air conditioning and a garage

ranging in size from 400 to 484 square feet of building area. Four homes each have a fireplace. The comparables sold from February to August 2020 for prices ranging from \$225,000 to \$272,000 or from \$74.07 to \$99.71 per square foot of living area, including land.

Based on this evidence, the appellant requested the subject's total assessment be reduced to \$81,975 which would reflect a market value of \$245,950 or \$90.03 per square foot of living area when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,496. The subject's assessment reflects a market value of \$287,206 or \$105.13 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales which are located within .43 of a mile from the subject and within the same neighborhood code as the subject. The comparables consist of two-story dwellings of vinyl siding exterior construction. The homes range in size from 2,407 to 2,820 square feet of living area and were built from 1994 to 1997. Each comparable has a basement, one of which has finished area. Features include central air conditioning and a garage ranging in size from 378 to 633 square feet of building area. Four of the comparables each have a fireplace. The comparables sold from April 2020 to September 2021 for prices ranging from \$285,000 to \$355,000 or from \$106.74 to \$130.51 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #3 and board of review comparable #1, each of which include finished basement areas, which is not a feature of the subject dwelling. The Board has also given reduced weight to appellant's comparable #1 due to its larger dwelling size when compared to the subject and to the other comparable sales contained in the record.

The Board finds the best evidence of market value to be appellant's comparable sales #2, #4 and #5 along with board of review comparable sales #2 through #5 which are each similar to the subject in location, age, dwelling size and most features. These most similar comparables sold from February to November 2020 for prices ranging from \$225,000 to \$325,000 or from \$74.07 to \$121.13 per square foot of living area, including land. The subject's assessment reflects a

market value of \$287,206 or \$105.13 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

DISSENTING: _____

CERTIFICATION

As Clerk of the Illinois Property Tax Appeal Board and the keeper of the Records thereof, I do hereby certify that the foregoing is a true, full and complete Final Administrative Decision of the Illinois Property Tax Appeal Board issued this date in the above entitled appeal, now of record in this said office.

Date:

September 19, 2023

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
