

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerald F. & Dawn Jenich  
DOCKET NO.: 21-01219.001-R-1  
PARCEL NO.: 06-22-401-016

The parties of record before the Property Tax Appeal Board are Gerald F. & Dawn Jenich, the appellants, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,737  
**IMPR.:** \$87,920  
**TOTAL:** \$102,657

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,408 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full basement, central air conditioning, a fireplace and a 600 square foot garage. The property has a 13,160 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .66 of mile from the subject property. The comparables have sites that range in size from 6,600 to 13,250 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 1,982 to 2,781 square feet of living area. The dwellings were built from 1992 to

1995. Comparable #2 has a crawl space foundation and four comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 380 to 680 square feet of building area. The comparables sold from March 2020 to January 2021 for prices ranging from \$226,900 to \$300,000 or from \$107.87 to \$115.70 per square foot of living area, including land. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,657. The subject's assessment reflects a market value of \$308,743 or \$128.22 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .72 of a mile from the subject property. The comparables have sites that range in size from 10,000 to 17,590 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 2,344 to 2,418 square feet of living area. The dwellings were built from 1994 to 1996. The comparables each have a basement, four of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 400 to 714 square feet of building area. Four comparables each have a fireplace. The comparables sold from January to October 2021 for prices ranging from \$320,000 to \$395,000 or from \$132.89 to \$166.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellants' comparables #1, #3 and #5, as well as board of review comparables #1, #2, #3 and #4 due to differences from the subject in dwelling size and/or they have finished basement area, unlike the subject. Furthermore, the appellants' comparable #2 has a crawl space foundation, when compared to the subject's basement foundation.

The Board finds the best evidence of market value to be the appellants' comparables #3 and #4, along with board of review comparable #5, which have unfinished basements like the subject and are similar to the subject in location, dwelling size, design, age and some features. These three comparables sold from March 2020 to January 2021 for prices ranging from \$269,900 to \$330,000 or from \$115.15 to \$140.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$308,743 or \$128.22 per square foot of living area, including land, which falls within the range established by the best comparable sales in the

record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
