

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Boudreau  
DOCKET NO.: 21-01220.001-R-1  
PARCEL NO.: 06-22-205-013

The parties of record before the Property Tax Appeal Board are David Boudreau, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,809  
**IMPR.:** \$80,067  
**TOTAL:** \$92,876

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,638 square feet of living area. The dwelling was constructed in 1993. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 378 square foot garage. The property has an approximately 8,790 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.56 of a mile from the subject property. The comparables have sites that range in size from 8,530 to 11,320 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,276 to 3,246 square feet of living area. The dwellings were built from 1996 to 1998. Each comparable has a basement with one having 117 square feet of finished area.

Each dwelling has central air conditioning and a garage ranging in size from 400 to 484 square feet of building area. Four comparables each have one fireplace. The properties sold from February to August 2020 for prices ranging from \$225,000 to \$272,000 or from \$74.07 to \$99.71 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$92,876. The subject's assessment reflects a market value of \$279,326 or \$105.89 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.41 of a mile from the subject property. The comparables have sites that range in size from 8,520 to 10,890 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,407 to 2,732 square feet of living area. The homes were built from 1994 to 1996. Each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 378 to 642 square feet of building area. Four comparables each have one fireplace. Comparable #2 has an inground swimming pool. The properties sold from June 2020 to May 2021 for prices ranging from \$291,000 to \$344,950 or from \$111.79 to \$134.35 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #4 and #5 which are less similar to the subject in dwelling size than other properties in the record. The Board gives less weight to board of review comparable #2 which features an inground swimming pool unlike the subject property.

The Board finds the best evidence of market value to be appellant comparables #2 and #3 along with board of review comparables #1, #3, #4 and #5 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from February 2020 to May 2021 for prices ranging from \$234,000 to \$344,950 or from \$97.22 to \$130.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$279,326 or \$105.89 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
