

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Sushan
DOCKET NO.: 21-01226.001-R-1
PARCEL NO.: 10-14-402-011

The parties of record before the Property Tax Appeal Board are Michael Sushan, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,579
IMPR.: \$109,362
TOTAL: \$141,941

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,568 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, one fireplace and an 824 square foot garage. The property has an approximately 15,250 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.35 of a mile from the subject property. The comparables have sites that range in size from 12,200 to 14,810 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 3,339 to 3,576 square feet of living area. The dwellings were built in 1997 or 1999. Each comparable has a basement with one having finished area. Each dwelling

has central air conditioning and a garage with either 726 or 824 square feet of building area. Two homes have either one or two fireplaces. The properties sold from February 2020 to January 2021 for prices ranging from \$350,000 to \$405,000 or from \$103.55 to \$114.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$135,320 which reflects a market value of \$406,001 or \$113.79 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,941. The subject's assessment reflects a market value of \$426,890 or \$119.64 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.43 of a mile from the subject property. The comparables have sites that range in size from 12,200 to 15,680 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 3,365 to 3,665 square feet of living area that were built in 1996 or 1999. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning and a garage with either 726 or 824 square feet of building area. Four homes each have one fireplace. Comparable #5 has an inground swimming pool. The properties sold from May 2020 to August 2021 for prices ranging from \$435,000 to \$539,000 or from \$129.27 to \$151.75 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #4 and board of review comparables #2, #3 and #5 which have finished basement area and/or an inground swimming pool amenity, both features which the subject property lacks.

The Board finds the best evidence of market value to be appellant comparables #1, #2 and #3 along with board of review comparables #1 and #4 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from August 2020 to July 2021 for prices ranging from \$365,000 to \$539,000 or from \$109.31 to \$151.75 per square foot of living area, including land. Removing the high and low sales, board of review comparable #4 and appellant comparable #3, results in a tighter value range of \$387,000 to \$435,000 or from \$113.26 and \$129.27 per square foot of living area, land included,

respectively. The subject's assessment reflects a market value of \$429,890 or \$119.64 per square foot of living area, including land, which falls within the best comparables, with the narrowest range, contained in the record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
