

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shelley Lein
DOCKET NO.: 21-01232.001-R-1
PARCEL NO.: 11-33-208-043

The parties of record before the Property Tax Appeal Board are Shelley Lein, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,995
IMPR.: \$71,089
TOTAL: \$104,084

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,036 square feet of living area. The dwelling was constructed in 2002. Features of the home include a concrete slab foundation, central air conditioning and a 400 square foot garage. The property is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .17 of mile from the subject property. The comparables are improved with one-story or two-story dwellings of frame exterior construction ranging in size from 1,822 to 2,470 square feet of living area. The dwellings were built in either 2002 or 2003. Comparable #2 has a walk-out basement and four comparables each have a concrete slab foundation. Each comparable has central air conditioning and a 400 square

foot garage. Three comparables each have a fireplace. The comparables sold from September 2018 to April 2021 for prices ranging from \$275,000 to \$341,000 or from \$134.41 to \$159.17 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,084. The subject's assessment reflects a market value of \$313,035 or \$153.75 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .18 of a mile from the subject property. The board of review's comparable #3 is the same property as the appellant's comparable #2. The comparables are improved with two-story dwellings of wood siding exterior construction containing 1,734 or 1,822 square feet of living area, each built in 2002. Comparable #3 has a walk-out basement and two comparables each have a concrete slab foundation. Each comparable has central air conditioning and a 400 square foot garage. The comparables sold from September 2020 to August 2021 for prices ranging from \$290,000 to \$322,500 or from \$159.17 to \$185.99 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparable #1 as its sale date occurred 27 months prior to the lien date at issue and is thus less likely to be indicative of the subject's market value as of January 1, 2021. The Board has given less weight to the appellant's comparable #2/board of review comparable #3 as the dwelling has a walk-out basement in contrast to the subject's concrete slab foundation. The Board has also given less weight to the appellant's comparables #3, #4 and #5 due to their dissimilar one-story designs and larger dwelling sizes when compared to the subject dwelling.

The Board finds the best evidence of market value to be board of review comparables #1 and #2, which are similar to the subject in location, dwelling size, foundation type, age and features. These two comparables sold in September 2020 and August 2021 for prices of \$305,000 and \$322,500 or for \$175.89 and \$185.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,035 or \$153.75 per square foot of living area, including land, which is bracketed by the two best comparable sales in the record in terms of

overall market value and below the comparables on a price per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
