

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffery Zilke  
DOCKET NO.: 21-01272.001-R-1  
PARCEL NO.: 14-21-301-051

The parties of record before the Property Tax Appeal Board are Jeffery Zilke, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,107  
**IMPR.:** \$100,435  
**TOTAL:** \$117,542

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,256 square feet of living area. The dwelling was constructed in 1977. Features of the home include a basement, central air conditioning, a fireplace and a 456 square foot garage. The property has an approximately 8,446 square foot site and is located in Lake Zurich,<sup>1</sup> Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .20 of a mile from the subject property. The comparables have sites that range in size from 10,002 to 10,670 square feet of land area.

---

<sup>1</sup> The subject's property record card and the "Notice of Findings by the Lake County Board of Review" both describe the subject's location as Lake Zurich, which was unrefuted by the appellant.

The appellant reported the comparables are improved with two-story dwellings of frame with brick trim exterior construction, each containing 2,408 square feet of living area. The dwellings were built in either 1976 or 1977. Comparable #3 has a crawl space foundation and two comparables each have a basement. Each comparable has central air conditioning and a 456 square foot garage. Comparable #2 has a fireplace. The comparables sold from July 2019 to May 2020 for prices ranging from \$282,000 to \$348,000 or from \$117.11 to \$144.52 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,542. The subject's assessment reflects a market value of \$353,510 or \$146.81 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .29 of a mile from the subject property. The comparables have sites that range in size from 8,930 to 19,060 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,142 to 2,542 square feet of living area. The dwellings were built in either 1976 or 1977 with comparable #3 having a reported effective age of 1985. Comparable #2 has a crawl space foundation, comparable #3 has a lower level and three comparables have a basement. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 440 to 546 square feet of building area. The comparables sold from March 2020 to August 2021 for prices ranging from \$363,000 to \$406,000 or from \$150.75 to \$176.86 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #3 and board of review comparable #2 due to their lack of a basement foundation, a feature of the subject. Furthermore, the appellant's comparable #3 has a sale date occurring in 2019, less proximate in time to the assessment date at issue than the remaining sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in location and similar, if not identical to the subject in dwelling size, design, age and some features. These comparables sold from March 2020 to August 2021 for prices ranging from \$345,000 to \$406,000 or from \$143.27 to \$176.86 per square foot of

living area, including land. The subject's assessment reflects a market value of \$353,510 or \$146.81 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
