

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yung Lin
DOCKET NO.: 21-01274.001-R-1
PARCEL NO.: 14-04-302-004

The parties of record before the Property Tax Appeal Board are Yung Lin, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,922
IMPR.: \$124,264
TOTAL: \$176,186

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,356 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement, central air conditioning, two fireplaces and a 739 square foot garage. The property has an approximately 54,543 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .78 of a mile from the subject property. The comparables have sites that range in size from 40,778 to 103,063 square feet of land area. The appellant reported the comparables are improved with two-story dwellings of brick or frame with brick trim exterior construction ranging in size from 3,183 to 3,832 square feet of living

area. The dwellings were built from 1987 to 1994. The comparables each have a basement, one of which is a walk-out. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 704 to 920 square feet of building area. The comparables sold from June 2018 to March 2020 for prices ranging from \$360,000 to \$559,000 or from \$113.10 to \$151.74 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,186. The subject's assessment reflects a market value of \$529,883 or \$157.89 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .83 of a mile from the subject property. The comparables have site sizes ranging from 42,620 to 58,650 square feet of land area. The comparables are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,918 to 3,676 square feet of living area. The dwellings were built from 1986 to 1998. The comparables each have a basement, one of which is a walk-out. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 576 to 825 square feet of building area. The comparables sold from September 2020 to July 2021 for prices ranging from \$535,000 to \$655,000 or from \$178.18 to \$197.69 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparable #2 due to differences from the subject in dwelling size and/or their sale dates occurred in 2018 or 2019, less proximate in time to the assessment date at issue than the other comparable sales in the record. Furthermore, the appellant's comparable #2 has a significantly larger site size when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #1, #3 and #4, which sold proximate in time to the assessment date at issue and are similar to the subject in location, site size, dwelling size, design, age and some features. The comparables sold from September 2020 to July 2021 for prices of \$650,000 and \$665,000 or from \$178.18 to \$197.69 per square foot of living area, including land. The subject's assessment reflects a market value of

\$529,883 or \$157.89 per square foot of living area, including land, which falls well below the range established by the best comparable sales in the record. Based on this record, the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
