

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Petrunaro  
DOCKET NO.: 21-01297.001-R-1  
PARCEL NO.: 14-07-301-027

The parties of record before the Property Tax Appeal Board are Joseph Petrunaro, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$40,879  
**IMPR.:** \$172,389  
**TOTAL:** \$213,268

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,202 square feet of living area. The dwelling was built in 1999. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a 768 square foot garage. The property has an approximately 30,274 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.74 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction that range in size from 4,214 to 4,340 square feet of living area. The dwellings were built from 1990 to 1997. Each comparable has an unfinished basement with two

being walkout style, central air conditioning, one to five fireplaces, and a garage ranging in size from 852 to 1,079 square feet of building area. The comparables have improvement assessments ranging from \$106,610 to \$154,032 or from \$24.94 to \$36.35 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$144,925 or \$34.49 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,268. The subject property has an improvement assessment of \$172,389 or \$41.03 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparable properties with the same assessment neighborhood code as the subject property and located from 0.81 of a mile to 1.21 miles from the subject. The comparables are improved with 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction that range in size from 4,131 to 4,539 square feet of living area. The dwellings were built from 1993 to 2000. Each comparable has an unfinished basement with three being walkout style, central air conditioning, two or four fireplaces, and a garage ranging in size from 842 to 1,300 square feet of building area. The comparables have improvement assessments ranging from \$169,096 to \$184,859 or from \$39.61 to \$41.67 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #5 which appear to be outliers with improvement assessments that are substantially lower than the other comparables in this record. Th Board also gives reduced weight to board of review comparables #2 and #4 which are located less proximate in location to the subject than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. The best comparables have improvement assessments ranging from \$142,061 to \$179,770 or from \$33.32 to \$41.52 per square foot of living area. The subject's improvement assessment of \$172,389 or \$41.03 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
