

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melissa Indlecoffer
DOCKET NO.: 21-01348.001-R-1
PARCEL NO.: 06-23-308-014

The parties of record before the Property Tax Appeal Board are Melissa Indlecoffer, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,950
IMPR.: \$85,266
TOTAL: \$98,216

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,356 square feet of living area. The dwelling was built in 1994. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a garage with 440 square feet of building area. The property has an approximately 6,600 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 6,600 to 8,330 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction with 2,294 or 2,344 square feet of living area. The homes were built in either 1993 or 1994. Each comparable has a basement with finished area, central air

conditioning, one fireplace, and a garage with either 420 or 440 square feet of building area. The properties sold from August 2019 to March 2020 for prices ranging from \$240,000 to \$286,000 or from \$104.62 to \$122.01 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$91,658 which reflects a market value of \$275,002 or \$116.72 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,216. The subject's assessment reflects a market value of \$295,386 or \$125.38 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 7,520 to 11,450 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,344 to 2,358 square feet of living area. The dwellings were built from 1993 to 1996. Each comparable has a basement with three having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 400 to 714 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from January to September 2021 for prices ranging from \$312,000 to \$385,000 or from \$132.43 to \$163.27 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions. The Board gives less weight to the appellant's comparables #1, #3 and #4 which have 2019 sale dates occurring less proximate in time to the subject's January 1, 2021 assessment date than the other comparables in this record. The Board gives less weight to board of review comparables #1 and #3 which lack basement finish, a feature of the subject. The Board also gives reduced weight to board of review comparable #2 which has an inground swimming pool, unlike the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These four properties sold from January 2020 to September 2021 for prices ranging from \$240,000 to \$385,000 or from \$104.62 to \$163.27 per square foot of living area, land included. The subject's assessment reflects a market value of \$295,386 or \$125.38 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record.

Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
