

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kyle Hartung  
DOCKET NO.: 21-01360.001-R-1  
PARCEL NO.: 10-25-116-003

The parties of record before the Property Tax Appeal Board are Kyle Hartung, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$23,747  
**IMPR.:** \$78,161  
**TOTAL:** \$101,908

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,581 square feet of living area. The dwelling was built in 1987. Features of the home include a crawl space foundation, central air conditioning, one fireplace, and a garage with 420 square feet of building area. The property has an approximately 11,040 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 7,700 to 12,160 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,640 to 2,956 square feet of living area. The homes were built in either 1990 or 1991. Each comparable has a basement with two

having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 400 to 462 square feet of building area. The properties sold from November 2019 to July 2020 for prices ranging from \$290,000 to \$310,000 or from \$104.87 to \$114.58 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$86,658 which reflects a market value of \$260,000 or \$100.74 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,908. The subject's assessment reflects a market value of \$306,490 or \$118.75 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 5,410 to 13,510 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 1,576 to 2,658 square feet of living area. The homes were built from 1987 to 1991. One comparable has an unfinished basement and four comparables have either a crawl space or concrete slab foundation. Each comparable has central air conditioning and a garage that ranges in size from 264 to 444 square feet of building area. Three comparables each have one fireplace. The properties sold from July 2020 to July 2021 for prices ranging from \$276,000 to \$330,000 or from \$124.15 to \$177.66 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #5 which have basement foundations, not a feature of the subject.

The Board finds the best evidence of market value to be the board of review's four remaining comparables which are similar to the subject in location, design, age, and some features, except each comparable is a considerably smaller dwelling than the subject. These properties sold from May to July 2021 for prices ranging from \$276,000 to \$296,000 or from \$140.75 to \$177.66 per square foot of living area, land included. The subject's assessment reflects a market value of \$306,490 or \$118.75 per square foot of living area, land included, which falls above the range established by the best comparable sales in this record on an overall market value basis but below the range on a per square foot basis. However, the subject's higher estimated market value is logical considering its larger dwelling size when compared to the best comparables.

Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
