

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Vandervere  
DOCKET NO.: 21-01389.001-R-1  
PARCEL NO.: 08-07-403-026

The parties of record before the Property Tax Appeal Board are Sharon Vandervere, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,261  
**IMPR.:** \$30,705  
**TOTAL:** \$36,966

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction with 768 square feet of living area. The dwelling was constructed in 1954. Features of the home include a basement and a 440 square foot detached garage. The property has a 6,320 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located from .20 of mile to 1.22 miles from the subject property. The comparables have sites that range in size from 6,180 to 6,480 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction, each containing 768 square feet of living area. The dwellings were built in either 1953 or 1954. Each comparable has a basement and three comparables each have a detached

garage ranging in size from 280 to 572 square feet of building area. The comparables sold from August to November 2020 for prices ranging from \$72,000 to \$85,000 or from \$93.75 to \$110.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,966. The subject's assessment reflects a market value of \$111,176 or \$144.76 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .17 of a mile from the subject property. The comparables have sites that range in size from 6,160 to 9,950 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction that were built in 1954, each containing 768 square feet of living area. Each comparable has a basement and an attached garage ranging in size from 396 to 528 square feet of building area. Comparable #4 has finished basement area and central air conditioning. The comparables sold from October 2020 to November 2021 for prices ranging from \$144,000 to \$166,300 or from \$187.50 to \$216.54 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #3 due to its distant location from subject being more than one mile away and its lack of a garage, a feature of the subject. The Board has given reduced weight to board of review comparable #4 as it has finished basement area and central air conditioning, not features of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are identical to the subject in dwelling size and design, and overall, most similar to the subject in location, age and features. The comparables sold from August 2020 to November 2021 for prices ranging from \$72,000 to \$166,300 or from \$93.75 to \$216.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$111,176 or \$144.76 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
