

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Vandervere
DOCKET NO.: 21-01391.001-R-1
PARCEL NO.: 08-05-404-022

The parties of record before the Property Tax Appeal Board are Sharon Vandervere, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,853
IMPR.: \$32,295
TOTAL: \$39,148

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story ranch-style dwelling of wood siding exterior construction with 768 square feet of living area. The dwelling was built in 1954. Features of the home include an unfinished basement and a 432 square foot garage. The property has an approximately 6,930 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located from 0.29 of a mile to 1.38 miles from the subject. These properties have sites ranging in size from 6,150 to 9,930 square feet of land area. The comparables are improved with 1-story ranch-style dwellings of wood siding exterior construction with 768 square feet of living area. The homes were built from 1953 to 1955. Each

comparable has an unfinished basement. Four comparables each have a garage that ranges in size from 280 to 572 square feet of building area. The properties sold from April to November 2020 for prices ranging from \$72,500 to \$110,000 or from \$94.40 to \$143.23 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$34,996 which reflects a market value of \$104,998 or \$136.72 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,148. The subject's assessment reflects a market value of \$117,738 or \$153.30 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.34 of a mile from the subject. These properties have sites ranging in size from 5,990 to 6,870 square feet of land area. The comparables are improved with 1-story ranch-style dwellings of wood siding exterior construction with 768 square feet of living area. The homes were built in either 1954 or 1955. Each comparable has a basement with one having finished area. One comparable has central air conditioning. Four comparables each have a garage that ranges in size from 440 to 576 square feet of building area. The comparables sold from February 2020 to November 2021 for prices ranging from \$117,000 to \$180,000 or from \$152.34 to \$234.38 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales presented by the parties to support their respective positions. The Board gives less weight to the appellant's comparables #1, #4, and #5 which are located over one mile from the subject and thus are less proximate in location to the subject than the other comparables in this record. The Board gives less weight to board of review comparable #1 which has central air conditioning, a feature the subject lacks. The Board also gives less weight to the appellant's comparable #3 as well as board of review comparables #3 and #5 which lack either a garage or basement finish, which are features of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are identical or nearly identical to the subject in location, design, age, dwelling size, and features. These three properties sold from February 2020 to November 2021 for prices ranging from \$110,000 to \$160,000 or from \$143.23 to \$208.33 per square foot of living area, land included. The subject's assessment reflects a market value of \$117,738 or \$153.30 per square

foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
