

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory Balmes
DOCKET NO.: 21-01437.001-R-1
PARCEL NO.: 11-28-202-027

The parties of record before the Property Tax Appeal Board are Gregory Balmes, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,598
IMPR.: \$107,159
TOTAL: \$160,757

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding¹ exterior construction with 2,528 square feet of living area. The dwelling was constructed in 1977. Features of the home include a walk-out basement, central air conditioning, a fireplace and a 500 square foot garage. The property has an approximately 10,461 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .16 of a mile from the subject property. The comparables have sites that range in size from 9,552 to 10,446 square feet of land area. The

¹ The parties differ as the exterior construction of the subject dwelling. The Board finds the property record card provided by the board of review presents the description of the subject dwelling.

comparables are improved with two-story dwellings of frame or frame with brick exterior construction ranging in size from 2,438 to 2,759 square feet of living area. The dwellings were built from 1976 to 1982. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 462 to 558 square feet of building area. The comparables sold from October 2019 to August 2020 for prices ranging from \$399,999 to \$485,000 or from \$160.24 to \$182.53 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,757. The subject's assessment reflects a market value of \$483,480 or \$191.25 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .23 of a mile from the subject property. The comparables have sites that range in size from 9,170 to 11,430 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,386 to 2,571 square feet of living area. The dwellings were built from 1976 to 1979. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 529 square feet of building area. The comparables sold from September 2020 to December 2021 for prices ranging from \$525,000 to \$595,000 or from \$215.48 to \$231.43 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #4 due to its sale date occurring in 2019, less proximate in time to the assessment date at issue than the other sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables, which sold more proximate in time to the assessment date at issue and are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from February 2020 to December 2021 for prices ranging from \$399,999 to \$595,000 or from \$161.94 to \$231.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$483,480 or \$191.25 per square foot of living area, including land, which falls within

the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
