

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jared Devich
DOCKET NO.: 21-01522.001-R-1
PARCEL NO.: 13-15-401-024

The parties of record before the Property Tax Appeal Board are Jared Devich, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,936
IMPR.: \$123,871
TOTAL: \$161,807

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,856 square feet of living area. The dwelling was built in 1979. Features of the home include a basement with finished area, central air conditioning, one fireplace and a garage with 594 square feet of building area. The property has a 40,777 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located from .25 of a mile to 1.81 miles from the subject property. The comparables have sites that range in size from 40,069 to 63,990 square feet of land area. The comparables are improved with 2-story dwellings of frame, brick, or frame and brick exterior construction ranging in size from 2,359 to 3,248 square feet of living area. The

dwellings were built from 1977 to 1980. The comparables have basements, three of which have finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 484 to 1,092 square feet of building area. The properties sold from January to September 2020 for prices ranging from \$335,000 to \$500,000 or from \$114.99 to \$157.13 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,807. The subject's assessment reflects a market value of \$486,638 or \$170.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located from .14 of a mile to 2.31 miles from the subject property. The comparables have sites that range in size from 40,180 to 133,050 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding, wood siding, or wood siding and brick exterior construction ranging in size from 2,672 to 2,903 square feet of living area. The dwellings were built from 1969 to 1992. The comparables each have a basement, four of which have finished area. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 552 to 936 square feet of building area. One comparable has an inground swimming pool. The properties sold from March to October 2021 for prices ranging from \$548,000 to \$670,000 or from \$205.09 to \$232.64 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 as well as board of review comparables #2 and #3 which are located over 1.7 miles from the subject. The Board gives less weight to board of review #1 which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence market value to be appellant's comparable #4 and board of review comparables #4 and #5 which overall are most similar to the subject in location and have varying degrees similarity in site size, year built, dwelling size and features. The comparables sold from January 2020 to April 2021 for prices ranging from \$500,000 to \$586,500 or from \$157.13 to \$208.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$486,638 or \$170.39 per square foot of living area, including land,

which falls below the range established by the best comparable sales in the record on an overall basis and within the range on a square foot basis. After considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
