

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mohammad Bawani
DOCKET NO.: 21-01570.001-R-1
PARCEL NO.: 06-01-401-232

The parties of record before the Property Tax Appeal Board are Mohammad Bawani, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,277
IMPR.: \$37,398
TOTAL: \$44,675

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story townhouse of vinyl siding exterior construction with 1,415 square feet of living area. The dwelling was constructed in 1999. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 220 square foot garage. The property is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.15 of a mile from the subject.¹ The comparables are improved with 1-story townhouses of vinyl siding exterior construction with 1,415 square feet of living area. The dwellings were built in 1999. Each home has a concrete slab foundation, central air conditioning, and a 220 square foot garage. One home has a fireplace. The comparables sold from July 2018 to November 2020 for prices ranging from

\$123,000 to \$131,500 or from \$86.93 to \$92.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,675. The subject's assessment reflects a market value of \$134,361 or \$94.95 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.12 of a mile from the subject. The comparables are improved with 1-story townhouses of vinyl siding exterior construction with 1,415 square feet of living area. The dwellings were built in 1999. Each home has a concrete slab foundation, central air conditioning, and a 220 square foot garage. Two homes each have a fireplace. The comparables sold from May 2020 to March 2021 for prices ranging from \$137,200 to \$149,900 or from \$96.96 to \$105.94 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3/#4, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #5 and the board of review's comparables, which are identical to the subject in dwelling size and similar to the subject in location, age, and features. These most similar comparables sold for prices ranging from \$131,500 to \$149,900 or from \$92.93 to \$105.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$134,361 or \$94.95 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
